

Gift Acceptance Policy (1/13/2019)

La Leche League International (LLLI) solicits and accepts gifts of money, stock, and in-kind services for purposes that will help the organization further and fulfill the LLL vision, mission, and philosophy.

Donations will be accepted from individuals, corporations, foundations, government agencies, or other entities.

Stocks received as donations shall be sold upon receipt according to the Investment Policy of LLLI.

LLLI will not accept a gift that:

- (a) is incompatible with the LLLI mission, vision, or philosophy;
- (b) could result in LLLI losing its 501(c)(3) not-for-profit status;
- (c) is too difficult or too expensive to administer;
- (d) could result in unacceptable consequences for LLLI;
- (e) is for purposes outside the mission of LLLI or
- (f) conflicts with the responsibilities of LLLI as described in the International Code of Marketing of Breastmilk Substitutes and subsequent relevant World Health Assembly resolutions.

The ultimate decision to accept or refuse a gift is the responsibility of the Board of Directors.

Prospective donors may choose to seek legal and financial advice in matters relating to their gifts, including the resultant tax and estate planning outcomes.
